

**A listing of Holocaust Survivors
known to have been either
born in or living in
Olkusz
before the War**

Please note that the Registry of Holocaust Survivors never directly divulges the addresses or locations of persons registered with us. This policy is strictly adhered to without exception for privacy reasons. Nevertheless, many of the people in the attached listings may still be contacted via the Registry's *Third Party Contact* service, whereby the Registry will forward a message to a particular Holocaust Survivor. It is then entirely up to the person being contacted whether he or she responds. On the reverse side of this sheet is a copy of the necessary form to request this service. If additional forms are required, please make photocopies.

Please mail all completed *Third Party Contact* request forms to the attention of:
